Communications Director

Report available for review. Highlights include:

- Continue to get new social media followers.

Reminder of Slack engagement policy

- *All Executive Council members and staff will download Slack on their devices, with notifications.*
 - *EC members will check Slack regularly, engage in discussions, and vote accordingly.*
 - *Any new items that require voting will have 3 days for discussion and 3 days for voting (if EC members are checking Slack at least every 2-3 days that will ensure everyone's participation in each aspect).*
 - *Exceptions to the 6-day deliberation/voting process can be made in emergencies that are time sensitive. If this is necessary, an email will be sent to all EC members with directions.*
 - *If an EC member needs to be away from Slack (for personal issues, work issues, or lack of internet access) for more than 5 days, it would be helpful if they would inform the Executive Director, Secretary, and AESA President.*
 - *Note on voting: Voting happens through Slack via Survey Monkey (posted by the secretary). We do not vote directly on slack. We do make motions and second them through Slack.*
- Silvia noted a continuing unevenness of participation on Slack, and requested that members at the very least acknowledge they have seen what's on there, so that we know you are engaged.
 - Slack is important because it is where we do business in the absence of meeting. Generally, Slack issues are time sensitive. It is the responsibility of EC members to regularly check Slack for AESA business. Participation is an expectation of the position.
 - Important voting issues are conducted via Slack. Participation in these discussion and in voting is an expectation of being on EC.

Reimbursement for airfare to the Midyear Meeting

- This is an expectation of membership on Executive Council, and this must be satisfied prior the end of the tax year. Contact Sandra with concerns.

Significant discussion around criteria for consideration for candidacy for leadership positions, including evidence/importance of a history of service, record of
